

NGUYEN MINH GIANG

Senior Game Developer | Full-stack Developer

Ho Chi Minh City, Vietnam

■ +84393582691 | ■ nguyenminhgiangit@gmail.com

■ OBJECTIVE

Senior Game Developer with 9+ years of experience in building cross-platform games (Web, Android, iOS) using Cocos Creator.

Proficient in Full-stack development (Node.js, Typescript, MongoDB, Redis, gRPC) with strong expertise in optimizing and creating high-quality game cores.

Hands-on experience in DevOps, including building, configuring, and deploying API services to hosts, VPS, and cloud environments.

Motivated to contribute to large-scale projects, adopt new technologies, and lead teams effectively.
